

February 10, 2021

Greetings Redeemer EPC,

Cindy and I wanted to take a moment to once again thank you for your prayers and support and your gifts to Hope For Renewal.

As of February our worshipping community has grown to almost twenty people that attend every Sunday. We currently have maxed out our living room so starting to worship at the ministry center will be a great blessing. Hopefully that will happen within the next two months. It has been amazing to see our new congregation open up to each other and to watch the love of fellowship and worship grow each week. It is awesome to give them Gods Word each Sunday. The rest of the week is spent caring for the many physical, emotional and spiritual needs that each of them face every day. The very simple acts of care and love go an incredibly long way here in this neighborhood. Taking them for a job interview or a ride to work and even a hot cup of coffee and a warm honey bun given with love and care literally opens up doors for us to give them the love and hope of Christ.

Please know how thankful we are for an incredible group of friends and brothers and sisters in Christ that have been there for us through the years and for also being incredible partners in ministry to those that so desperately need to know Jesus. Thanks for being "Light Givers" to a dark world!

Blessings,
Gary and Cindy
