REVEREND GARY KOERTH

New Beginnings

Glenwood Grounds Café :

Grand Opening Saturday, January 8

We are praising God that on Tuesday December 7th we opened the doors of Glenwood Grounds Café for a soft opening for our community. We have been open Tues.-Thur. from 7am – 1:00pm for the entire month of December. On Saturday January 8th we will have our Grand Opening . We will then be open Tues. – Sat. 7am – 1pm. We are serving fresh ground brewed coffee, specialty coffee drinks, tea, hot chocolate, cold brew, cold beverages and awesome baked goods.

The café is totally run by volunteers. December has been a great opportunity to train and learn how to work together to serve our wonderful community. We have also had opportunities to share the “Hope for Renewal” story and share the love of Christ. We have always known that the café would be an awesome vehicle to serve the neighborhood, to build relationships, and ultimately to share the love of Christ. It has been overwhelming to see it happen in person even in the first days of ministry.

Please continue to pray for this new outreach ministry of Hope for Renewal. We would love to schedule your group for a visit to include a tour, update of the ministry, and a snack and cup of great coffee or tea. Of course, everyone is also welcome to drop by during business hours to enjoy the awesome atmosphere of the café and some great coffee and food.

Worshipping Community

We are also overjoyed to announce that our worshipping community, that has been worshipping in Gary and Cindy's home for the last two years, has moved our Sunday Worship to Glenwood Grounds on December 12th. It was awesome to have our Christmas Eve Candlelight Service in our new worship space. Please continue to pray for our precious church family. There have been many joys and victories as we seek God together living through life's everyday struggles.

A huge praise and thanks for those who have supported Hope for Renewal in the past. May God bless all of you. As we enter 2022 and a new beginning in ministry it would be awesome if you would consider supporting Hope for Renewal through monthly or quarterly support or a one time gift.
