

Hope For Renewal seeks to serve, build relationships and to share the love of Christ for those living in the Glenwood Corridor in Youngstown, Ohio.

HFR MINISTRY CENTER NEW DECK AND PARKING LOT OCT 2023

REVEREND GARY KOERTH

Moving Forward!

It has been awesome to see the Hope For Renewal Ministry Center move forward with a new parking lot and back deck completed and the continued progress of the rehab. of the 2nd floor. The parking lot and deck was funded through a grant supplied by the City of Youngstown. When the 2nd floor is completed, it will double our ministry space at the ministry center.

Currently our building is home for our Worshiping Community, Café Ministry and Outreach Ministries. When completed half of the 2nd floor will be used for much-needed office and meeting space. The other half will possibly be used to house the future need of a ministry assistant. Please pray that God will give us direction as to the moving forward process over the next five - ten years. The picture shows the sanding of the original 1920 floors and dry wall and fresh painting. All accomplished by volunteers. We have been blessed by the EPC and others who have volunteered.

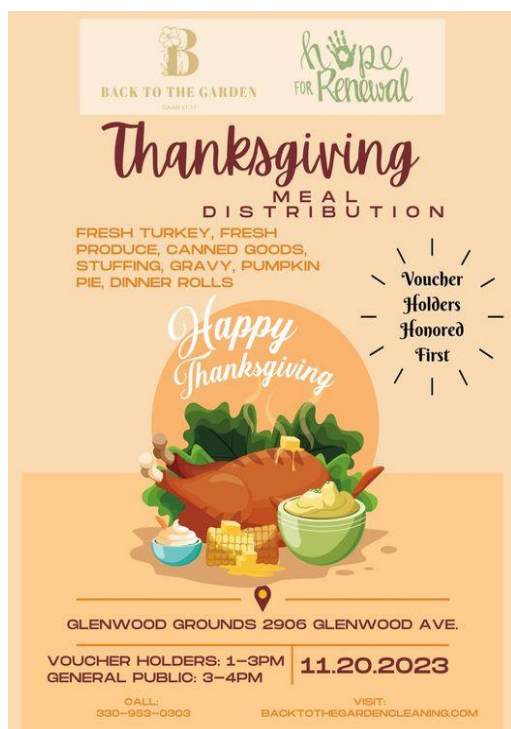

Come and visit us!

Please know that you are always welcome to come for a visit individually or as a group. Come and have a great cup of coffee or come for a workday. We are in need of volunteers for many different types of projects and ministries. Come and volunteer in the café and help with the baking, cleaning and serving at the café. Come and help with the rehab of the 2nd floor. Many different projects to accomplish! Maybe adopt a room! Come and volunteer at the Fresh Market across the street. Come and Prayer Walk with us in our neighborhood. Come and provide lunch for our church body during Sunday worship. Just give us a call and we would be happy to talk and pray about how you can be involved with Hope For Renewal.

Please Pray For Our Thanksgiving Meal Outreach Ministry!

Last year we stepped out in faith and planned a meal give away for 115 families. The food part of this ministry was an incredible blessing for many. But the impact of intentional prayer time with each car, with a member of our prayer team. was an overwhelming joy and honor. Many tears and testimony of broken and hurting people that God blessed us with the opportunity to minister to. This year we are hoping to provide the same opportunity for 150 families. Please pray that God would pour out His love and hope to those in each car that will pull into our parking lot.

Please Pray For Our Worshiping Community!

Please pray that God would continue to pour out His love, peace, hope, healing and power of the Word of God to all who come to worship with us on Sunday morning. The physical, emotional and spiritual needs are

many. We continue to see our church body use their gifts in many different ways. Serving in cooking lunch, worship music, encouragement, proclamation of Gods Word, encouraging praise and worship meetings together, prayer and encouragement for each others needs. We also continue to see Gods touch of physical healing to several members of our church family. We have been challenged in our walk with God individually and as a church body through the preaching through the book of James. This past Sunday we were challenged by James 1:27-2:13. We were able to speak of our specific mission in our neighborhood and how God is calling us as “Bearers of Gods mercy and compassion.” We were able to see that the Worshiping Community, Outreach Ministries and the Café Ministry were all working in unity to reach our community with the love and message of Christ. We also proclaimed that Hope For Renewal must continue in the proclamation of Gods Word and Serve through Gods mercy and compassion. The two must never be separated. In closing, I have to add that there have also been some trials that come our way. Please continue to pray that we would learn and grow and mature in our faith through these times.

Thanks!

Thank you to all of those who faithfully support us in prayers and finances year round. You are an incredible blessing! Please consider supporting our church plant with a year end gift or a yearly/quarterly/monthly gift in the future as God leads you.
