
RPC 2024 GOALS AND OBJECTIVES

(Adopted 2/6/24)

The Church in Acts demonstrated its faithfulness to the Lord in many ways, including leadership, prayer, worship, discipleship, evangelism, fellowship, and ministry. Faithfulness in these things is key to a local church's health and growth. Congregations who focus on these areas have greater impact on their community and world, as they faithfully take up the task of both exhibiting, and living into, the Kingdom of God, which is both present and future in its orientation.

The following specific Goals and Objectives have been identified by Session as the areas in which it intends to engage the congregation to facilitate the growth of Redeemer Church in the year 2024. These particular Goals and Objectives are not intended to be a comprehensive list, but have been selected as those areas in which our concentration would be most healthy in the present life cycle of the congregation. By design, these Goals and Objectives are both general, and aspirational, in nature. Session intends to add specific strategies and/or tactics to facilitate implementation and evaluation of Redeemer's growth in these areas over the coming year.

Striving to become, more and more, a people of prayer
